Tell Congress: NOT ONE PENNY for Tax Breaks to Billionaires and Giant Corporations!

**Join us! Saturday, December 2, at 10 am
Apple Store • 815 Boylston Street, Boston**

• Copley or Auditorium on the Green Line

Trump and Senate Republicans are poised to push an unpopular and dangerous tax bill through Congress, before Christmas! If passed, this bill will not only yield trillions in tax breaks to the 1% and giant corporations like Apple--*it will force drastic cuts to Medicaid, education, housing, food programs and even Medicare, for decades to come!*

For years, Apple has skipped out on tens of billions of dollars in taxes on the \$236 billion in profits it parks offshore (New York Times, 11/6/17). Other multi-billion dollar companies have paid little or no taxes at all. The new tax bill will hand them billions more!

It's time to **Take a "Byte" Out of  Apple!**

The rally will be immediately followed by the **Regional Convening of Not One Penny**, a national movement to block the Republican tax bill: **First Church in Boston**, 66 Marlborough St, from **11:15 to 5:00 pm**. Lunch will be provided but you must pre-register (free) at bit.ly/nop-boston
